Applicant/Inventor: Robert Allen Sevio

Title of Invention: Market share forecasting for businesses selling products or services to other businesses (non-consumer markets)

Re: Notice to File Missing Parts of Nonprovisional Application, Dated 04/02/2004

Dear Sir or Madame:

Enclosed please find amended application papers (specification) dated **05/09/2004**. The application papers have been amended to exclude supporting files on CD, as had been submitted and noted with previous application papers. The files on CD have been excluded because they are not part of or integral to the specification, including the claims.

Please also note that the application papers have been amended, as of **05/09/2004**, for wording and examples supporting the claims.

Please use the enclosed amended application papers, dated **05/09/2004**, for your examination. These application papers will replace: those originally filed on 11/05/2003, those amended as of 02/09/2004, and those amended as of 02/17/2004.

Thank you,

Robert Allen Sevio
